

Test Scientific Paper

A sample document for testing Marker PDF extraction

Abstract

This is a test document containing mathematical equations and tabular data. The purpose is to evaluate the extraction capabilities of different PDF parsers.

Mathematical Equation

$$E = mc^2$$

Table 1: Sample Data

Parameter	Value	Unit
Temperature	25.3	°C
Pressure	101.3	kPa
Humidity	65	%

Conclusion

This test PDF demonstrates basic scientific document structure.
